

## Web war: Google, Facebook and most other players, an interactive infographics

French news site [Rue89](#) reports about a so-called **Web giants war** in really interesting infographic - an interactive one too.

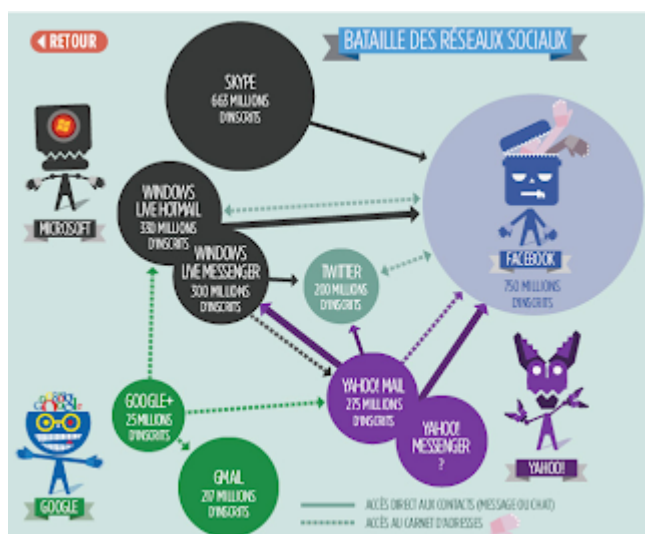

Facts and some figures, here are some players' revenues in billion Euros.

- Apple 49,2 billion euros
- Microsoft 47,2 billion euros
- Google 22 billion euros
- Yahoo 4,7 billion euros
- Facebook 2 billion euros

This infographic analyzes several indexes, just like the *search engine* area where Google reigns.

Believe it or not the strongest social network is... [yes, that F-name!]
