

Facebook app top gainers: watch out for Draw Something and BranchOut!

✖ This week top **Facebook** app movers were, according to **InsideFacebook**:

#	Name	MAU	Gain	Gain, %
1.	Draw Something	12,900,000	+7,700,000	+ 148%
2.	Angry Birds	12,800,000	+6,000,000	+ 88%
3.	BranchOut	7,800,000	+1,500,000	+ 24%

*Draw Something by OMGPOP had massive growth with an increase of 7.7 million MAU. Angry Birds gained 6 million MAU. Open Graph applications from Yahoo, Dailymotion, BranchOut and Causes saw significant growth. Notably, Causes now has a banner on its website asking users to add the app to their Timelines.*

Watch out that, besides Angry Birds' obvious success, comes a third place for [Branchout](#), an emerging Social Job Network.
