

Happy PI Day! That's 3.14 ;-) and Albert Einstein's birthday too!

✖ **PI DAY & LIGHT** - today is Pi day (3.14) and also [Albert Einstein](#)'s birthday.

About PI Day:

*Pi Day is a holiday commemorating the mathematical constant  $\pi$  (pi). Pi Day is celebrated on March 14 (or 3/14 in month/day date format), since 3, 1 and 4 are the three most significant digits of  $\pi$  in the decimal form. In 2009, the United States House of Representatives supported the designation of Pi Day.*

About Albert Einstein, for science's sake, let's find out in under 60sec how he was the first to prove that light is a particle.
