

Hal Project: where 2001's psychotic computer meets modern PCs and Macs

Not really new but all the same fascinating. Out of [2001 a Space Odyssey](#), the Stanley Kubrick's classic movie, here comes a project site celebrating Hal 9000 (and its cryptic screens).

Get the HAL 9000 screen saver and pray that your PC or Mac doesn't get upset (against you...).

Check out the [Hal Project](#).
