

## 50 years of James Bond cars: which one is your favorite 007 car? [infographics]

50 years of 007 and the new upcoming Skyfall Bond movie are upping the ante for all Bond-fans around the world.

This is an interesting infographics by **Mashable** that shows in detail all cars used in all Bond movies, their value (actualized to today's currency) and lots of 007 trivia!

Check this web site too.

**Evans Shalshaw**: a UK car dealer that has built up **License to drive**: it's a nice HTML5 project aimed at showing the same car lineup.

Which is your favorite?  
The Aston Martin DB5?  
The diving Lotus Esprit?
