

Facebook, the Musical: almost inevitable...

It was almost inevitable: a **Facebook** musical!

Blame it on **AVbyte**, a New York, 2011-born web-idea named after its two founders: **Antonius and Vijay Nazareth**, has been producing musicals on Youtube (dubbed **youtubesicals...**).

I think there's a great deal of humour in this video even though it's so damned true!

Check more about **AVbyte** on [Youtube](#), [Facebook](#), [Tumblr](#) and [Twitter](#)!
