

TheFacebook.com in 2004: Mark Zuckerberg discusses his 100k users social network

12 years ago, a much younger **Mark Zuckerberg** talks about his brand new **TheFacebook.com** social network.

Seems so amazing, right now: 12 years and one billion users later... ☐

11 years ago today, someone named Mark Zuckerberg appeared on CNBC to discuss a social network that had 100K users. <https://t.co/qP6y4qocfB>
